

University of South Carolina Sumter

Reasons To Become A Fireant

We offer a quality education.

- We are part of the USC academic system, with the same high standards
- Our academic program is highly regarded with accomplished faculty and small class sizes.
- Coursework is automatically transferable to USC (US News' 2022 "Best Value School")
- Over 1,600 students in 36 areas of study
- #2 ranked two year college in SC by Niche

With 9 current sports teams, and more on deck, USC Sumter is a rapidly growing college with a large student-athlete community.

A great place to be!

- Small town feel but with big town access
- Close to:
 - Columbia
 - World Famous Beaches
 - Congaree National Park
 - Upstate Mountains
 - Whitewater paddling
 - Hiking and bike trails
 - Museums and parks
- closeknit campus
- clubs and activities
- vibrant student life
- focused on student success

A quality education doesn't have to break the bank!

- Our tuition is approximately 58% of the cost at the main campus (\$3,579 per semester vs \$6,144 per semester in-state)
- Affordable meal plans
- Affordable and safe housing is available near campus
 - Many are gated communities
 - All either near a bus stop or within walking distance
 - Costs for yearly housing can be surprisingly inexpensive
- Over 100 scholarships available
- South Carolina students can use the state's Life and Hope funds
- If you are a SC resident and finished in the top 25% of your graduating class then you most likely qualify as a "Sumter Scholar" and are eligible for 100% tuition coverage!
- If you qualify, our Opportunity Scholars Program offers free personalized guidance throughout your time at USC Sumter

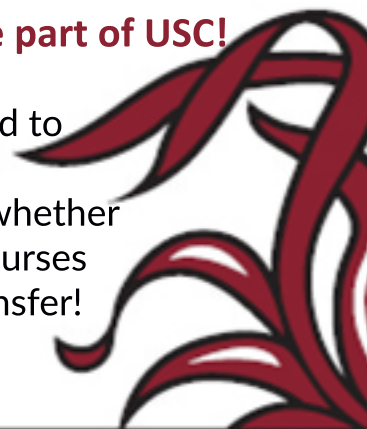

An Affordable Path to a USC Degree

A talented Athletic Department committed to your success.

- You will be joining a nationally successful athletic program
- We are committed to helping you achieve success both on the field and in the classroom
- We recognize that classroom success is critical to your long term goals and provide plenty of academic support, including tutors, and athlete specific advising.
- USC Sumter provides students with access to physical and mental health support services
- Your coaching staff are professionals with years of experience and training - they can help you reach your athletic potential.
- We can help you achieve your next step:
 - students with high school academic performance deficiencies will benefit from our dedicated faculty, small class size and free tutors
 - students wanting to hone their skills to try to move on to NCAA athletics will enjoy a professional coaching environment that that will continue to challenge you to improve

We are part of USC!

No need to worry about whether your courses will transfer!
